COMPREHENSIVE POLICY MANGEMENT SERVICES

With Indiana-specific expertise, we help school boards stay on top of the policy changes shifting the K-12 landscape

ISBA
INDIANA SCHOOL BOARDS ASSOCIATION

Comprehensive Policy Management Services (CPMS) is ISBA's premium policy service, providing school corporations with custom policy development and enhanced monitoring of the need for new, revised, or updated policies. CPMS helps ensure the policies put in place by your school board are legally compliant and a reflection of the educational values of your community.

What a CPMS Subscription Includes:

Full Policy Evaluation & Customization

We will review and evaluate your current policy book and work with you to identify opportunities for custom policies that meet required legal mandates.

Policy Update Reports

Receive in-depth information on policy topics, as well as sample policies, through the Quarterly Report published four times a year.

Sample Policies Library

Immediate access to our Sample Policies Library, containing dozens of sample polices, all coded as Required, Essential, or Discretionary.

Focused Consultation

ISBA staff hold quarterly video conference meetings with your corporation representatives to walk through the latest policy developments and answer any questions.

Continuous Training

Whether your board members and administrators are new or returning, CPMS policy training sessions will keep your people knowledgeable on current policies and policy-making procedures.

> "We highly recommend the Comprehensive Policy Management Services provided by ISBA. They were extremely helpful as we transitioned from our previous policies to ISBA. Their tiered system of Required, Essential, and Discretionary policies helps simplify the entire process. We truly appreciate the policies and the support they provide."
